Copiers

I am placing a sheet with the number of copies you have made. You may have 4 numbers:

1. Big machine with stapler 8-5-08 to 2-20-09
2. Big machine with stapler 1-5-09 to 2-20-09
3. Small machine 9-4-08 to 2-20-09
4. Small machine 1-5-09 to 2-20-09

Some of you have told me ways that you have started saving copies. Will you please share your ideas with everyone? Send an email to the faculty. Thanks.

We have no control over our circumstances, what happens to us, but have 100 percent control over how we will respond, and that has everything to do with a person's attitude.
